- (a) The efficiency bar shall be at the end of the normal 18th year stage in each scale.
- (b) The efficiency bar shall be applied very sparingly. The general test should be whether the employee’s work has fallen below that standard of efficiency normally expected of him at that particular stage of his career when the efficiency at the start has been reinforced by the experience from which he should have profited.
- (c) The circumstances necessitating the proposed imposition of the bar shall be communicated to the employee and the employee shall be given an opportunity to submit an explanation which shall be duly considered.

12

- (d) An efficiency bar once imposed shall be reviewed every year and before it is continued the employee shall be given an opportunity to make such representation as he desires. Reasons for continuation of the bar shall be recorded.
- (e) If the workman held up at the efficiency bar improves, he may be allowed to cross the bar and at the discretion of the management may even be placed at such stage in the running time scale as he would have attained if he had not been held up. In such case the workman shall not be entitled to claim any arrears on the basis as if there had been no bar.

**(V) METHOD OF ADJUSTMENT IN THE NEW SCALES OF PAY**

4.7. All full-time workmen shall be fitted in the new scales of pay in the manner following:

- (a) Workmen who entered service of the bank before 1-1-1966, shall be fitted in the new scales of pay on a “stage-to-stage” basis as on 1st January, 1966, i.e. a workman will be fitted in the new scale at a stage corresponding to his stage in the existing scale, so that he will cover in the new scale of pay the same number of stages which he has covered in the existing scale, as on 1st January, 1966.
- (b) In case of members of the subordinate staff, the ad hoc increment being paid to them pursuant to the Settlement dated the 29th August, 1964, shall be considered part of their existing basic pay while determining their stage in the existing scale of pay for the purpose of fitting them in the new scale. The special allowance of Re. 1/- being paid pursuant to the aforesaid Settlement shall, however, not be so considered. Such ad hoc increment or special allowance shall cease to be payable with effect from 1-1-1966.

(c) If a workman in the existing scale of pay is drawing basic pay which does not coincide with any particular stage in the existing scale of pay but it falls between two stages, then he will be deemed to have reached the higher stage in the scale.

(d) Workmen who entered banks' service on or after 1st January, 1966, shall be fitted in the new scales of pay on the same principles as set out above, with effect from their respective dates of joining the service.

4.8. Workmen who entered service of the banks before 31st January, 1950 and are, on 1st April, 1966, short of what point-to-point adjustment, calculated according to their actual completed years of service, would have given them shall, after being fitted into the new scales in accordance with the provisions of Clause 4.7 above, be paid additional increments as under: —

(a) If a workman falls short of point-to-point stage as on 1st April, 1966 by not less than 2 and not more than 3 increments, he shall be paid one additional increment, with effect from 1st April, 1967;

(b) If a workman falls short of point-to-point stage as on 1st April, 1966 by 4 or more increments, he shall be paid one additional increment, with effect from 1st July, 1966 and another additional increment, with effect from 1st April, 1967;

Provided that no additional increment shall be payable in terms of this clause where a workman has already received, before the date of this Settlement, any additional increment/increments towards point-to-point adjustment.

4.9 Subject to Clause 20.5 of this Settlement, the existing part-time employees shall be fitted into the new scales of pay at the appropriate proportionate basic pay on a stage-to-stage basis, but not lower than the 4th stage.

4.10. In the matter of adjustment, the efficiency bars, whether in the existing scales or in the new scales under this Settlement, shall be ignored.

#### **(vi) ANNUAL INCREMENTS**

4.11. In the case of full-time workmen, annual increments in the new scales shall fall due on the same date on which increments in the existing scales would have fallen due if the existing scales were continued, so that the period of service since the date of the last increment in the existing scale will be available to the workmen for the purpose of calculating the period for earning an increment in the new scales of pay.

4.12. Following the incremental pay-scales provided in this Settlement for them, part-time workmen will also be entitled to receive proportionate annual increments in the new scales. After fitting them in the new scales of pay, those existing part-time employees who have completed a year of service before 1st April, 1966 shall be given annual increments due to them on 1st April every year beginning from 1st April, 1966. Such of them who have not completed a year of service on 1st April, 1966 or who have joined after 1st April, 1966, shall be given their annual increments on the anniversary date of their joining service provided that in banks where the existing part-time employees are already receiving increments on the anniversary date of their joining service, they shall continue to receive their increments in that manner.

#### **(vii) BASIC PAY/EMOLUMENTS ON TRANSFER FROM ONE AREA TO ANOTHER**

4.13. In supersession of paragraph 5.190 of the Desai Award:

(a) On his transfer from a higher area to a lower area, a workman shall continue to be governed by the pay-scale of the higher area that was applicable to him prior to his transfer. But on such transfer at his request a workman shall be fitted into the scale applicable

to the lower area at a stage corresponding to his stage in the higher area provided that his basic salary plus dearness allowance in the higher area on the date of his transfer shall be protected by paying him an adjusting pay to be set off against his future increments (including Dearness Allowance thereon) in the lower area scale.

- (b) A workman transferred to an area where a higher pay-scale applies will be governed by the pay-scale applicable to the higher area and shall have his basic pay fixed in the pay-scale applicable to the higher area at a stage corresponding to his stage in the lower area pay-scale. If, however, such workman is transferred back to his original area, before completing a total service of one year in the higher area, his pay shall be refixed in the lower area pay-scale at the stage where he would have otherwise been had he not been so transferred.
- (c) If a workman is transferred, at his request, from a lower area to a higher area, temporarily for a specified period and where such period is extended, at his request, beyond one year but not exceeding two years from the date of his original transfer not with standing the provisions contained in sub-clause (b) above, he shall, on his retransfer to the original lower area, be governed by the pay-scale of that lower area and his pay shall be refixed at the stage where he would have otherwise been had he not been so transferred, even though he may have exceeded the total service of one year in the higher area. During his period of stay in the higher area, he shall, of course, draw emoluments applicable to such higher area as stated in sub-clause (b) above.
- (d) Where a workman is transferred from one area to another temporarily for a specific period, he shall

be entitled only to the halting allowance applicable to the area to which he is transferred and no adjustment in his salary will be made.

- (e) Where a workman is initially recruited in a higher area for eventual posting to a new branch/office to be opened in a lower area, the letter of appointment issued to him by the bank shall clearly specify the state and the Area in which he would be eventually posted. In such a case the employee will be started on the lower area scale and so long as he remains in a higher area, he will be paid, as a "Local Allowance", the difference between the emoluments of such lower area and of the higher area in which he is temporarily posted.

If, within one year of his appointment, he is not posted to the lower area for which he was recruited, he will be deemed to have been appointed in the higher area in which he was temporarily posted on recruitment. In that event his basic pay will be refixed in the higher scale applicable to that area with retrospective effect and the consequential difference emoluments due to him will be set off against the "Local Allowance" drawn by him till then. On such adjustment payment of "Local Allowance" shall cease.

On the other hand, if he is posted, within one year of his appointment, to an area higher than the area for which he was initially recruited, his basic pay shall, from the date of his initial appointment, be fixed in the scale applicable to the area of his posting and consequential difference due to him will be set off against the "Local Allowance" drawn by him till then. On such adjustment payment of "Local Allowance" shall cease.

### GENERAL RULES

5.4. The Special Allowances prescribed in Clauses 5.2 and 5.3 above shall be payable subject to the provisions hereinafter contained in this Chapter.

5.5. In supersession of paragraph 5.287 of the Desai Award, where a workman falls within more than one category, he shall be entitled to receive the special allowance at the highest rate applicable to him, Provided however, that special allowance (s) for educational qualifications, if any, shall be payable in addition to any other special allowance to which he may be entitled.

5.6. The special allowances prescribed above are intended to compensate a workman for performance or discharge of certain additional duties and functions requiring greater skill or responsibility, over and above the routine duties and functions of a workman in the same cadre. In order to be entitled to a special allowance, such additional duties and functions should constitute the normal part of the duties and functions performed or discharged by a workman. Special allowances

are not intended to be paid for casual or occasional performance or discharge of such duties/functions. It would, however, not be necessary that a workman should continue to perform such duties or discharge such functions, whole time, in order to be entitled to such allowance.

5.7. The additional duties and functions involving greater skill or responsibility, which would entitle a workman to a special allowance, are more particularly enumerated, for each category of workmen, in Appendix 'B' hereto. Special allowances will be payable for all or any of the duties listed in Appendix 'B' except where it is specifically provided therein that for a particular category the additional duties entitling him to a special allowance, include or involve all the duties listed under that category.

5.8. A workman will be entitled to a special allowance if he is required to perform duty/duties and/or undertake the responsibilities listed against the category, irrespective of his designation/nomenclature or any general authority vested in him.

5.9. A workman will be entitled to a special allowance only so long as he is in charge of such work or the performance of such duties which attract such allowance. Whether a workman can be asked to cease to do such work or discharge such duties and consequently cease to draw such allowance, will depend upon the terms of his employment. For instance a workman who is employed permanently as a Head Clerk or Stenographer cannot be deprived of his special allowance by asking him to work as an ordinary clerk or asking him not to work as a Head Clerk or Stenographer. If, however, a recipient of a special allowance wants to give up the work or duties which entitle him to the special allowance, he shall if his request is granted, cease to draw the special allowance.

5.10. The special allowance would continue to be drawn by a permanent incumbent while on leave. A workman who is asked to work temporarily in a post carrying a special allowance would

be entitled to such a special allowance pro-rata for such period during which he occupies that post.

5.11. Wherever a bank requires a workman to work in a post carrying a special allowance it will normally be done by an order in writing.

5.12. Banks will, as early as possible, use, in all their records correspondence, etc. the nomenclature used in the Appendix 'B' hereto for the appropriate duties.

### **REALLOCATION OF DUTIES**

5.13. The standardization of nomenclatures as aforesaid should not by itself lead to withdrawal of special allowances from persons already drawing them except where specifically provided in this Settlement. Subject to this banks will be free to reallocate the duties of any workman to bring them in conformity with the duties specified in the Appendix 'B' hereto. Where for the first time a special allowance provided for in this Settlement is introduced in an office, in reallocating the duties preference will be given from among those who are already performing the appropriate duties. In specifying the duties it is not the intention that in each office/branch posts should be created in each category for which special allowance has been agreed to.

#### **EXPLANATION:**

- (i) In cases where a workman, not in receipt of a special allowance at the date of this Settlement, has been performing duties/responsibilities which will now attract a special allowance in terms of this Settlement, banks will be free to withdraw such duties/ responsibilities and in that case no special allowance will be payable. Alternatively such a workman may be required to perform if necessary, by reallocation, the duties/responsibilities which attract the special allowance and in that case the appropriate special allowance will be payable to him.
- (ii) In cases where a workman, in receipt of a special allowance at the date of this Settlement, has been

performing duties/responsibilities which under this Settlement fall under more than one category, banks will be free to reallocate his duties/responsibilities either by withdrawing or including the duties/responsibilities for which a higher allowance is payable under this Settlement. In such a case the appropriate allowance for the revised duties/responsibilities will be payable.

5.14. The following provisions shall apply to “Special Assistants” referred to in Clause 5.2 (xix):

(i) Those workmen who are at the date to this Settlement drawing the special allowance laid down for “Supervisors, Superintendents, Departmental-in-Charge etc.” in paragraph 5.282/18 of the Desai Award, will (insofar as they do not fall under the Head Cashier — Category E) draw the special allowance agreed for “Special Assistants” but banks will be free to entrust them with the duties now agreed to for Special Assistants if they are not already performing them.

(ii) The duties and responsibilities now agreed to for Special Assistants shall not be regarded as supervisory duties and the employees required to perform these duties and discharge these responsibilities shall be regarded as “Workmen” for all purposes irrespective of their emoluments, designations or nomenclatures in different banks.

(iii) Save as provided hereinbelow, under the heading “Excluded Categories” those who are at present governed by the banks own supervisory/officer grade (s) and terms and conditions of service and are performing duties listed for Special Assistants or duties of a like nature will have irrespective of their emoluments, designations or nomenclatures, the right to exercise an irrevocable option within 3 months of the date of this Settlement, to choose between—

(A) the bank’s own supervisory grade and terms and

conditions of service:

OR

(B) the wages and terms and conditions of service under this Settlement

EXCLUDED CATEGORIES:

The following employees will be excluded from exercising option as provided above:

(a) All employees who were directly recruited into bank’s own scales of pay for supervisory/officer staff.

(b) All employees promoted to the Supervisory/Officer cadre in the bank’s own scales of pay before 30-11-1962, who exercised or had an opportunity to exercise option under the provisions of the Desai Award or thereafter, in favour of the bank’s own scales of pay applicable to supervisory/officer staff.

(c) All employees promoted to the Supervisory/Officer cadre in the bank’s own scales of pay after 30-11-1962 and who were either at the time of such promotion or at any subsequent date offered the right to exercise option for Award provisions.

(d) All employees who were drawing the special allowance under paragraph 5.282/18 of the Desai Award and who were subsequently promoted to the bank’s own scales of pay for Supervisory/Officer staff but did not communicate to the bank in writing objection to such promotion.

(iv) The option under sub-clause (iii) above shall be exercised in writing which shall be delivered to the Head of the Office or the branch in which the employee concerned may be working. On failure to exercise the option in the manner aforesaid within the time specified, the employee concerned would be deemed to have chosen to continue in the bank’s

own supervisory/ officer grade and terms and conditions of service.

If the employee opts for the wages and conditions of service under this Settlement, he shall be fitted retrospectively from 1-1-1966 into the scale of pay laid down in this Settlement at the stage he would have been, had he not been taken up in the bank's own supervisory/officer grade.

### **SUPERSESSION AND COMMUTATION**

5.15. Save and except as otherwise provided in this Chapter, no special allowance, personal pay or any other allowance will be payable-to the following categories of workmen, namely:

5.17. The commutation referred to in Clauses 5.15 and 5.16 above shall be made as follows;—

(a) In case of workmen who on 1-7-1966 were in receipt of any excess monetary benefit under non-rotational system, provided such allowance/personal pay was being paid to him on regular assignment for relative duties and not for a temporary period as locum-tenens their excess monetary benefit will be commuted at the rate of "60 x Q".

(b) In case of workmen who on 30-6-1966 were either receiving or eligible for an allowance/personal pay under a rotational system, their excess monetary benefit will be commuted at the rate of "60 x Q x P".

The symbols 'Q', 'P' and 'RE' above, shall mean—

- Q— Quantum of excess monetary benefit (if under a rotational system, the value of Q is different for different groups of workmen, the lump sum payment -due to workmen in different groups will be calculated separately).
- P— Number of posts which were, according to the usual rule or practice in bank concerned, subject to rotation on 30-6-1966.

**LEAVE RULES**

13.1. From the date of operation of this settlement the following leave rules shall apply uniformly to all workmen.

(i) GENERAL

13.2. An employee who desires to obtain leave of absence, other than casual leave, shall apply in writing to the manager or any other officer appointed for the purpose. Such application for leave shall be made not less than one month before the date from which the leave is to commence, except in urgent cases or unforeseen circumstances including illness when it is not possible to do so. The Manager or the Officer empowered by him in this behalf shall issue orders on such application as soon as practicable and in cases of an urgent nature immediately. If the leave asked for is granted, an order showing the date of commencement of the leave and the date on which the employee will have to resume duty shall be issued to him.

13.3. If an employee after proceeding on leave desires an extension thereof, he shall make an application in writing to the Manager or other Officer appointed for the purpose. Such application shall state the full postal and telegraphic address of the employee and shall be made in sufficient time to enable the management to consider the application and send a reply to him before the expiry of the leave desired to be extended. A written reply either of the grant or refusal of extension shall be sent to the employee at the address given by him if such reply is likely to reach him before the expiry of the leave originally granted to him.

13.4. If leave is refused or postponed, the reason for the refusal, or postponement, as the case may be, shall be mentioned in the order, and a copy of the order given to the applicant

13.5 No leave or extension of leave shall be deemed to have

been granted unless an order to that effect is passed and communicated to the employee concerned.

13.6. Leave of all kinds cannot be claimed as of right. When the exigencies of the service so require, discretion to refuse or revoke leave of any description is reserved to the authority granting it, and an employee already on leave may be recalled by that authority when it considers this necessary in the interest of the service. When an employee called back from leave, the bank will pay his travelling expenses to and from the place where he was spending his holiday. The employee will also be entitled to claim travelling expenses of his wife and children provided they have accompanied him while going to such place or have gone to such place within a week of his going there and have accompanied him whilst returning from such place or have returned to the place of work within a week of his return to that place.

13.7. Gazetted holidays (that is Bank Holidays under the Negotiable Instruments Act) other than Sundays shall not be prefixed or suffixed to any leave without the sanction of the competent authority having been first obtained. An Employee who overstays his leave (except under circumstances beyond his control for which he must tender a satisfactory explanation) shall not be paid his pay and allowances (other than house rent allowances based on pay, i.e., basic pay, officiating and special allowances, if any, last drawn) for the period he overstays and shall further render himself liable to such disciplinary action as the management may think fit to impose.

13.8. Leave earned by an employee lapse on the date on which he ceases to be in service. Where an employee's services are terminated owing to retrenchment he shall be paid his pay and allowances for the period of privilege leave at his credit.

13.9. Unless he is permitted to do so by the authority which granted him leave, an employee will not be entitled to return to duty before the expiry of the period of leave granted to him.

13.10. The first day of an employee's leave is the working day succeeding that upon which he makes over charge. The last day of an employee's leave is the working day preceding that upon which he reports his return to duty.

13.11. An employee shall, before proceeding on leave, intimate to the competent authority his address while on leave, and shall keep the said authority informed of any change in the address previously furnished.

13.12. An employee on leave shall, unless otherwise instructed to the contrary, return for duty to the place at which he was last stationed.

13.13. The competent authority may require an employee who has availed himself of leave for reasons of health to produce a medical certificate of fitness before he resumes duty even though such leave was not actually granted on a medical certificate.

13.14. Leave may not be granted to an employee under suspension or against whom proceedings are pending.

13.15. For the purposes of this Chapter the term "Substantive pay" wherever it occurs means the aggregate of (i) basic pay, (ii) dearness allowance, (iii) house rent allowance, (iv) special and other allowances, if any (but excluding special allowance drawn as locum-tenens and officiating allowance, if any), which the workman would have drawn had he been on duty.

13.16. For the purposes of this Chapter, calendar year means the period 1st January to 31st December, each year.

#### (ii) PRIVILEGE LEAVE

13.17. The amount of privilege leave earned, which shall be on substantive pay, shall be one month for completed service of 11 months for banks in classes "A" and "B" and 3/4 of a month for completed service of 11 months in the case of "C" Class Banks. Privilege leave will be cumulative upto a maximum of 3 months. In calculating the period of 11th months of completed service by employees in 'A' and

'B' Class Banks and for the purpose of calculating the period of 11 1/4 months service by employees in the case of 'C' Class Banks the period of privilege leave enjoyed should not be counted.

13.18. If leave applied for by an employee has been refused, such employee will be entitled to accumulative leave in excess of the maximum of 3 months prescribed until such time when the bank is in a position to grant him leave.

13.19. The privilege leave due to an employee is the period which he has earned diminished by the period of leave actually taken.

13.20. An employee other than a member of the executive Committee of a registered trade union of bank employees, will not be entitled to take privilege leave on more than 3 occasions in a calendar year, but there will be no limitation as to the minimum number of days for which leave may be taken on these occasions. In determining the number of such occasions the following occasions shall not be included: —

- (i) When an employee has proceeded on privilege leave and is recalled to duty by the bank,
- (ii) When an employee has been granted privilege leave on grounds of sickness in terms of Clause 13.21 below.

In special circumstances an application may be made for the grant of such leave on more than three occasions in a calendar year and it will then be in the absolute discretion of the bank concerned whether to grant such leave or not.

13.21. An employee may avail of privilege leave for a period of more than 4 days at a time on grounds of sickness on production of medical certificate.

#### (iii) CASUAL LEAVE

13.22 An employee shall be entitled to casual leave upto a maximum of 12 days in each calendar year provided that not more than 4 days may be taken continuously and provided

that holidays and Sundays may not be combined with such leave in such a way as to increase the absence at any one time beyond six days but if extended beyond these limits it shall be treated as privilege leave in respect of the entire period. Casual leave may not be granted in combination, with any other leave.

13.23 Casual leave shall be non-cumulative except as provided in Clause 13.31 under sick leave. Ordinarily the previous permission of the sanctioning authority shall be obtained before taking such leave. When this is not possible, the said authority shall be informed as soon as practicable in writing or if writing is not possible, orally or through any person, of the employee's absence from work, reason thereof and of the probable duration of such absence. In any event a written application shall be submitted to such authority latest on the day the employee resumes duty. In no case will an employee take casual leave on frivolous grounds.

13.24. Casual leave is only intended to meet special or unforeseen circumstances for which provision cannot be made by exact rules. Holidays except Saturdays and Sundays shall not be prefixed or suffixed to casual leave without the previous permission of the officer granting such leave.

13.25. Holidays and weekly offs falling within the period of casual leave will not be treated as a part of casual leave.

13.26. Casual leave may be taken on grounds of sickness without production of a medical certificate, provided the total period of sickness does not exceed 4 days.

13.27. Any absence from duty without satisfying the requisite conditions under which leave may be taken or obtaining such leave on false grounds would justify any bank, after giving the employee an opportunity to explain, in not treating the employee as on casual leave but as being absent without leave on loss of pay and allowances.

13.28. A workman on casual leave shall be entitled to pay and allowances as if he was on duty.

#### (iv) SICK LEAVE

13.29. An employee shall be granted sick leave at the rate of one month for each year of service subject to a maximum of 12 months during his entire service, provided that where an employee has put in a service of over 24 years, he shall be eligible to additional sick leave at the rate of one month for each year of service in excess of 24 years, subject to a maximum of three months of such additional sick leave.

Sick leave shall be on half substantive pay, provided that if an employee has served the bank for at least a period of five years, he shall, if he so requests, be permitted to avail himself to sick leave on full substantive pay upto a maximum of six months during the full period of the service, such leave on full substantive pay being entered as twice the amount of leave taken, in his sick leave account. Additional sick leave provided under Clause 13.29 above shall, however, not be convertible into leave on full substantive pay.

13.31. With effect from the calendar year 1966, casual leave not availed of by an employee in a calendar year shall be convertible into sick leave on full substantive pay and such sick leave in lieu of unavailed casual leave shall be over and above the maximum provided in Clauses 13.29 and 13.30 above, provided that casual leave due to an employee in the first calendar year of his service shall not be convertible into sick leave.

13.32. The bank may in special cases grant sick leave beyond what is provided hereinbefore on one-fourth substantive pay.

13.33 All sick leave shall be granted on production of a medical certificate acceptable to the bank.

#### (v) EXTRAORDINARY LEAVE

13.34. Extraordinary leave may be granted to an employee when no ordinary leave is due to him. Except in exceptional circumstances the duration of extraordinary leave shall not

exceed 3 months on any one occasion and 12 months during the entire period of an employee's service.

13.35A competent authority may grant extraordinary leave in combination with or in continuation of leave of any other kind admissible to the employee.

13.36. No pay and allowances are admissible during the period of extraordinary leave and the period spent on such leave shall not count for increments;

Provided that in cases where the sanctioning authority is satisfied that the leave was taken on account of illness or for any other cause beyond the employee's control it may direct that the period of extraordinary leave may count for increments;

Provided further that in the case of employees who are office-bearers of registered trade unions increments may be deferred only to the extent that extraordinary leave exceeds 2 months in any incremental year,

#### (vi) MATERNITY LEAVE

13.37. Maternity leave which shall be on substantive pay shall be granted to a female employee for a period not exceeding 3 months on any one occasion and 12 months during the entire period of her service.

The system to be so abolished may be replaced by—

Discharge in such cases shall not be deemed to amount to disciplinary action.

(d) If the representative defending the employee is an employee of the same bank at an outstation branch within the same State, he shall be relieved on special leave (on full pay and allowances) to represent the employee and be paid one return fare. The class of fare to which he will be entitled would be the same as while travelling on duty. 19.13. Where the provisions of this Chapter conflict with the procedures or rules in force in any bank regarding disciplinary action, they shall prevail over the latter. There may, in such procedures or rules, exist certain provisions outside the scope of the provisions contained in this Chapter enabling the bank to dismiss, warn, censure, fine an employee or have his increment stopped or have an adverse remark entered against him. In all such cases also the provisions set out in Clauses 19.10 and 19.11 above shall apply.

If an employee refuses to accept any notice, order, charge-sheet, written communication or written intimation in connection with disciplinary proceedings when it is sought to be served upon him, such refusal shall be deemed to be a good service upon him, provided such refusal takes place in the presence of at least two persons including the person who goes to effect service upon him. Where such notice, order, charge-sheet, communication or intimation is sent by registered post with acknowledgement due, the same shall, at the discretion of the officer of the bank concerned, be deemed to have been duly served upon the employee, if the same has been refused by the employee.
